

**THE UNIVERSITY OF AKRON
COLLEGE OF BUSINESS
FINANCE ADVISORY BOARD**

2024 Faculty Research Award

The Faculty Research Award was created to recognize an individual faculty whose research can (1) add value to the Department of Finance, the College of Business, the greater Akron communities, and the world, (2) build a learning network with other aspiring leaders, and (3) enhance student learning experiences for greater impact. The award will provide support to fund the software, data, research, conferences and travel.

The 2024 award recipient will receive a Certificate of Recognition and have the \$4,000 award amount directly deposited to his/her UA grant account.

Faculty members eligible for the award must:

- Be a College of Business full-time faculty member in the Department of Finance
- Submit a maximum of five-page research proposal that supports the three objectives noted above

The award recipient selection and amount will be determined annually by the Finance Advisory Board.
