

A DIFFERENT WAY TO PLAY

EXER:480:001 | F 10-11:30

PROFESSOR MELISSA DREISBACH

EX[L]

Through one-on-one interaction with individuals from the Akron public schools' special needs program, students will consider how we can "play different" by designing adaptive learning activities for elementary students that are engaging, physically active, and healthy. [Un]classes fulfill an Honors Colloquia Requirement.
