While community and council rankings are still provided for chapter academic performance, please note they are flawed.

All spring 2020 grades are higher than they historically have been due to most students opting to not receive a letter grade of C- or lower.

****Due to COVID-19 students had the option (for undergraduate classes) to select the special Credit/No Credit grading basis. To earn credit, they must have received a letter grade of C- or better. If they earned a letter grade of D+ or lower, no credit was awarded. In either case, the Credit or No Credit grading basis does not impact their GPA. Additionally, opportunities for community service and philanthropy were limited due to Ohio's stay at home order and the university closing its physical spaces beginning in mid-March.****
